

“A real alternative to traditional aged care”

Now there's a new and proven aged care alternative that lets you fulfill your aspirations: Cameron Glen. It's neither traditional Aged Care or a conventional Retirement Village. It's an altogether new concept in aged care and support.

Ours is a friendly and relaxed environment and our carers are always on hand to help residents with daily activities such as housekeeping, vacuuming, laundry and ironing. Whatever level of assistance you require can be provided.
